LISTEN · UNDERSTAND · ACT

Their voices deserve a *future.*

Since 2021, Afghan women and girls have faced sweeping restrictions on education, work and public life. Invisible Voices is a space to meet them as people with ambitions, craft and agency, to understand what has changed, and to turn that understanding into support.

Explore Their Stories

Turn Awareness into Action

The journey

01

Listen

Meet fictional stories that show the range of Afghan women's dreams.

02

Understand

See what has changed, and why it matters.

03

Act

Find concrete steps to support women and girls.

The Notebook Under the Floorboard

Mina copies every lesson she hears into a notebook she hides, because learning should not need permission.
